Mr. Alexandre gave a Power Point presentation outlining the library budget for the 2022/2023 fiscal year. He noted that the library has truly become the community living room, a place where all are welcome. This year, the library returned to having in-person programs, as well as continuing to provide remote programming for adults and children. He noted that we have created a budget line for costs relating to the operation of and programming in our new Makerspace and our accounting system has allowed for more accurate reporting of spending. Mr. James Johnson has submitted petitions to run as trustee for one 5-year term beginning July 1, 2022.

The Public Hearing was adjourned at 7:02 p.m.

Respectfully submitted.
