

"A tonic and a testament for the times. Warming as hot chocolate in a blizzard; a familiar favorite made fresh from scratch."

— Kirkus Reviews

"Funny, tender, and impossibly charming, this is the fossil-filled Jewish Christmastime romance of my dreams."

— Rebecca Podos, Lambda-award winning author of *Like Water*

"...a can't-miss romance full of swoons, laughter, heartbreak and healing, and an epic pup in snow booties."

— Jennifer Dugan, author of *Some Girls Do*
