

CONNECT & REFLECT

An Event *for* Teens *By* Teens

Get ready for an exciting experience

with the library's Teen Advisory Board (TAB)!

We're teaming up with Ramapo High School's Teen Information & Peer Services (TIPS) club.

This interactive event for teens will feature games and teen-led discussions covering topics of self-identity and how our perceptions of ourselves affect our relationships.

Plus, we have snacks covered, because what's a great conversation without a tasty treat or two?!

Saturday, April 20

11 am - 12:30 pm

at Finkelstein Memorial Library
